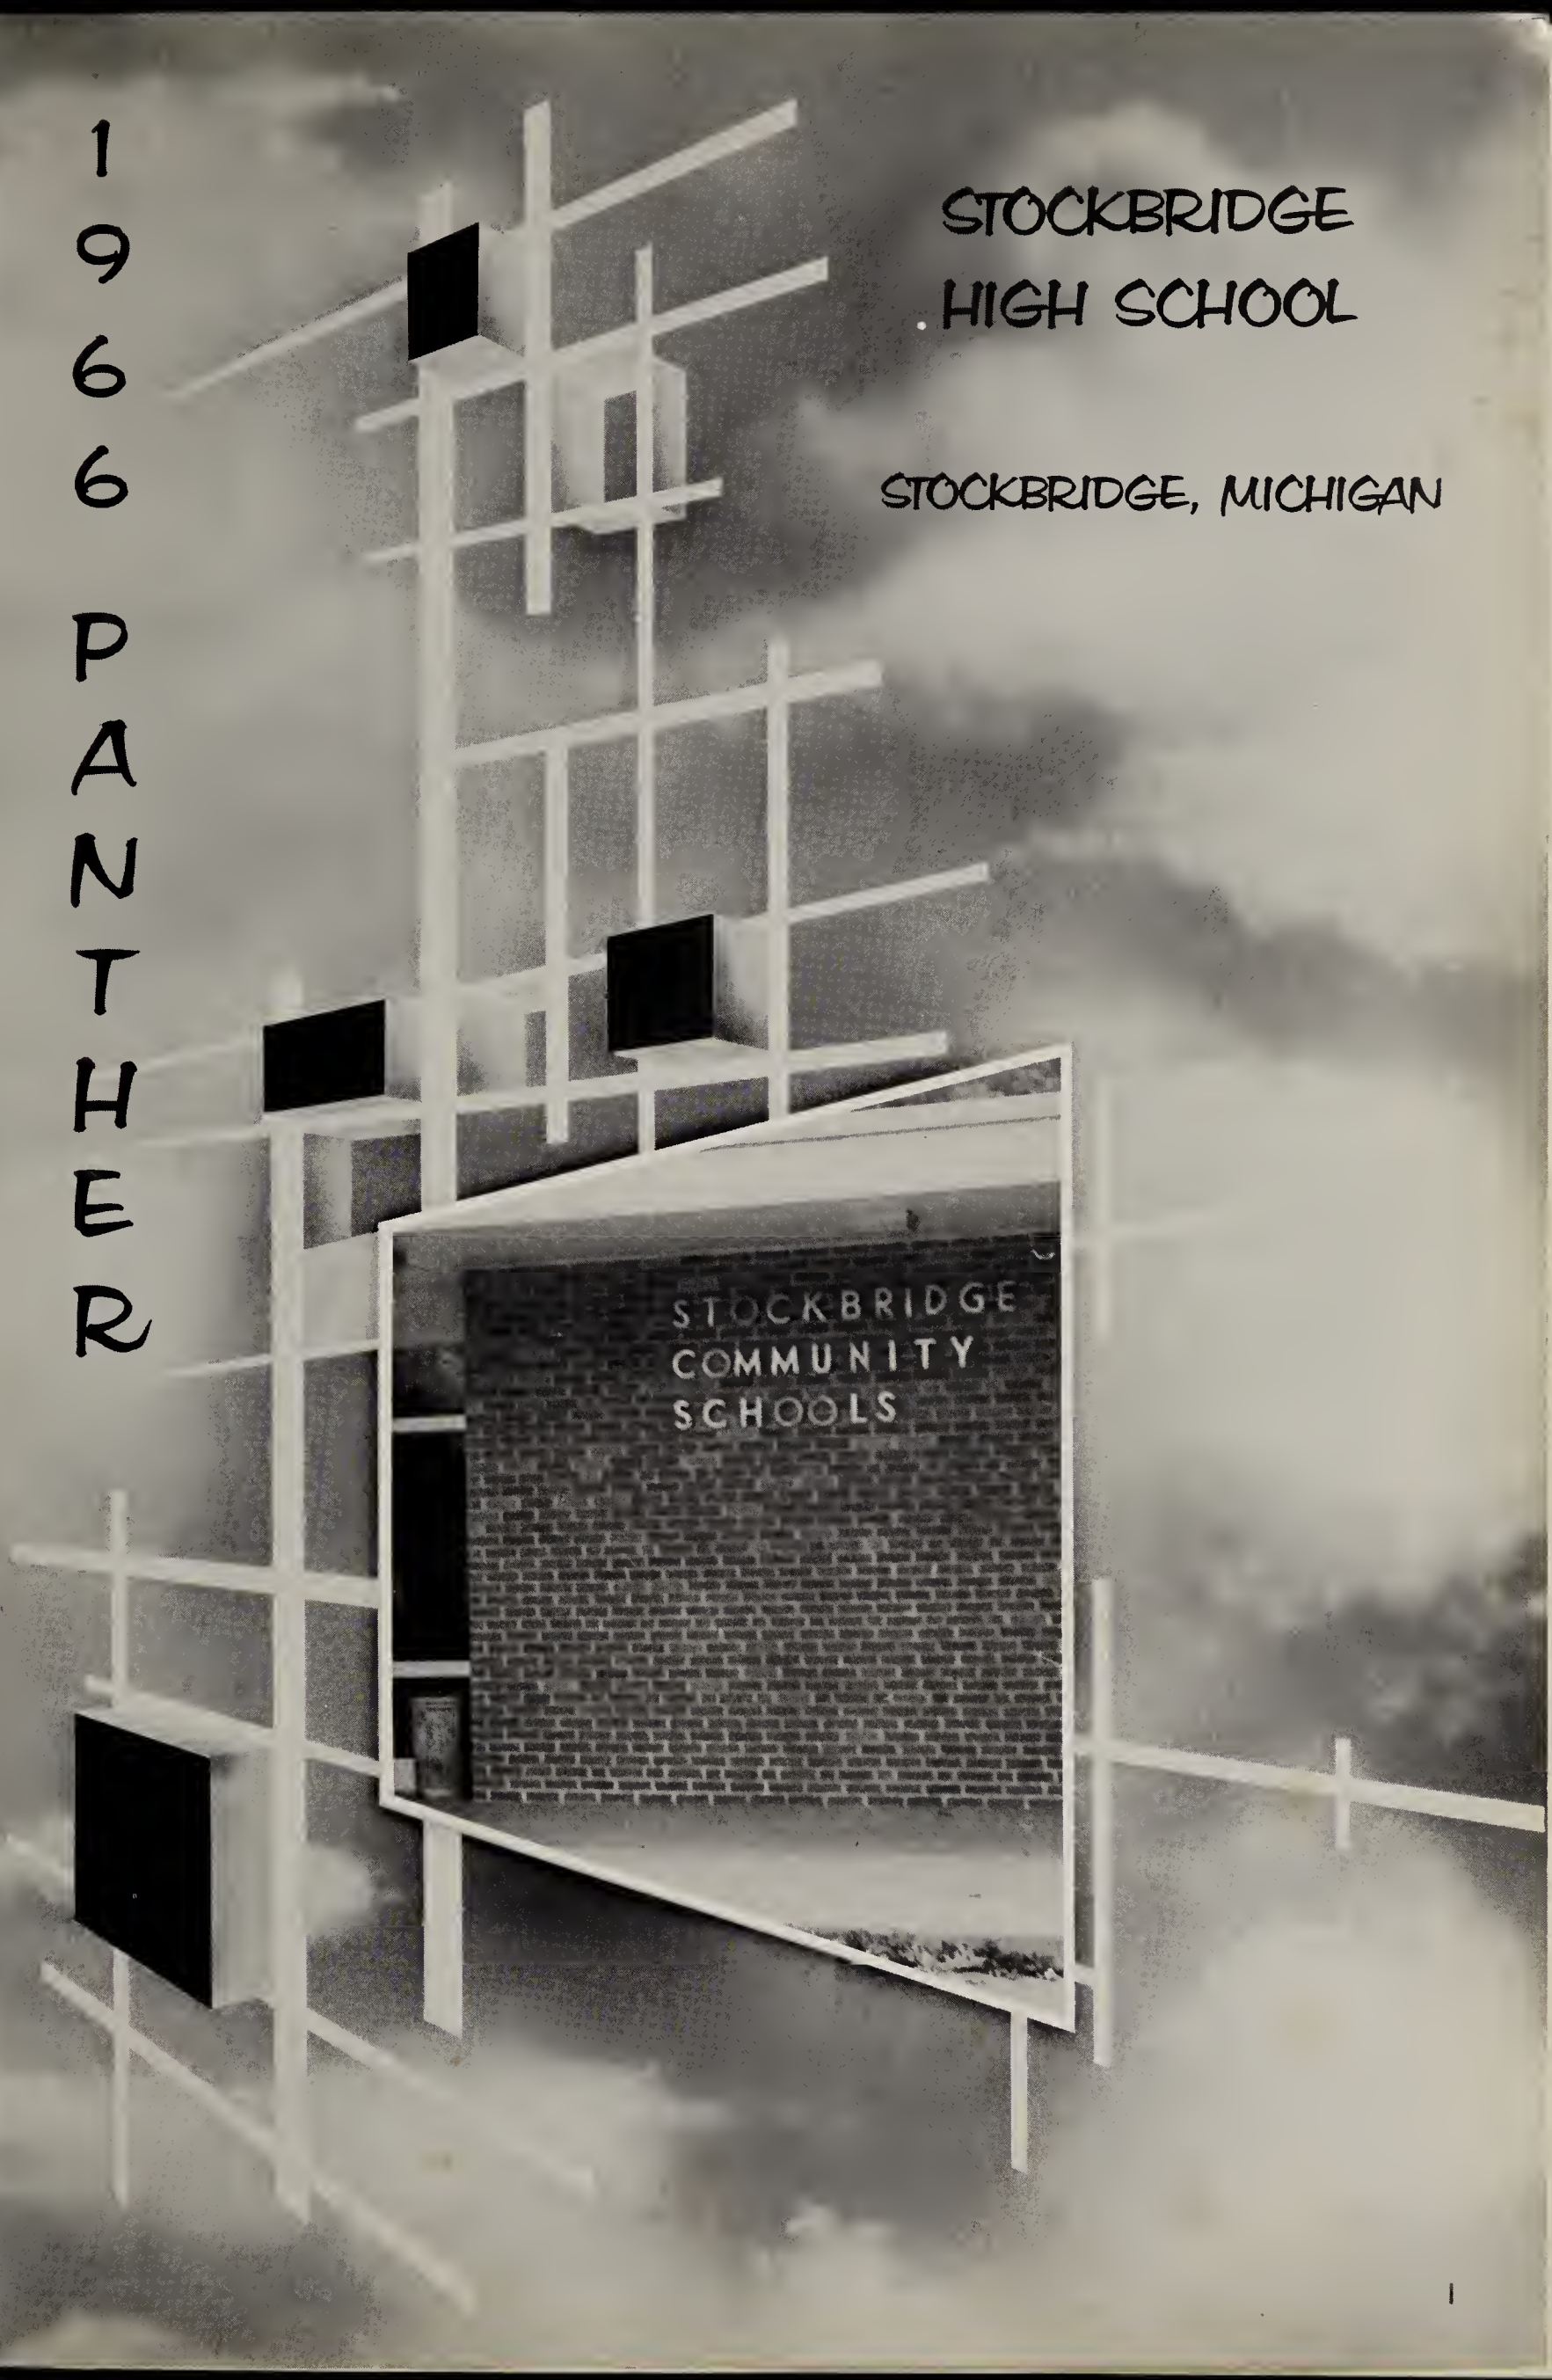
1966 PANTHER

STOCKBRIDGE HIGH SCHOOL

STOCKBRIDGE, MICHIGAN



FOREWORD

"God pity them both; and pity us all
Who vainly the dreams of youth recall
For of all sad words of tongue or pen
The saddest are these:
'It might have been!' "

John Greenleaf Whittier

The years after graduation will be the most important ones of our lives. We must set our goals carefully and then strive to attain them. In order to make our youthful dreams become reality, we must work. Our quest to fulfill these dreams will be difficult, but not impossible.

Maturity and flexibility are the primary elements which will determine our success or failure. The world is ever-changing, and, in order to succeed, we must have the maturity to face it without qualms and the flexibility to change with it. If we hesitate or become complacent, our dreams will shatter, and we will be heard vainly echoing regret that "It might have been!"

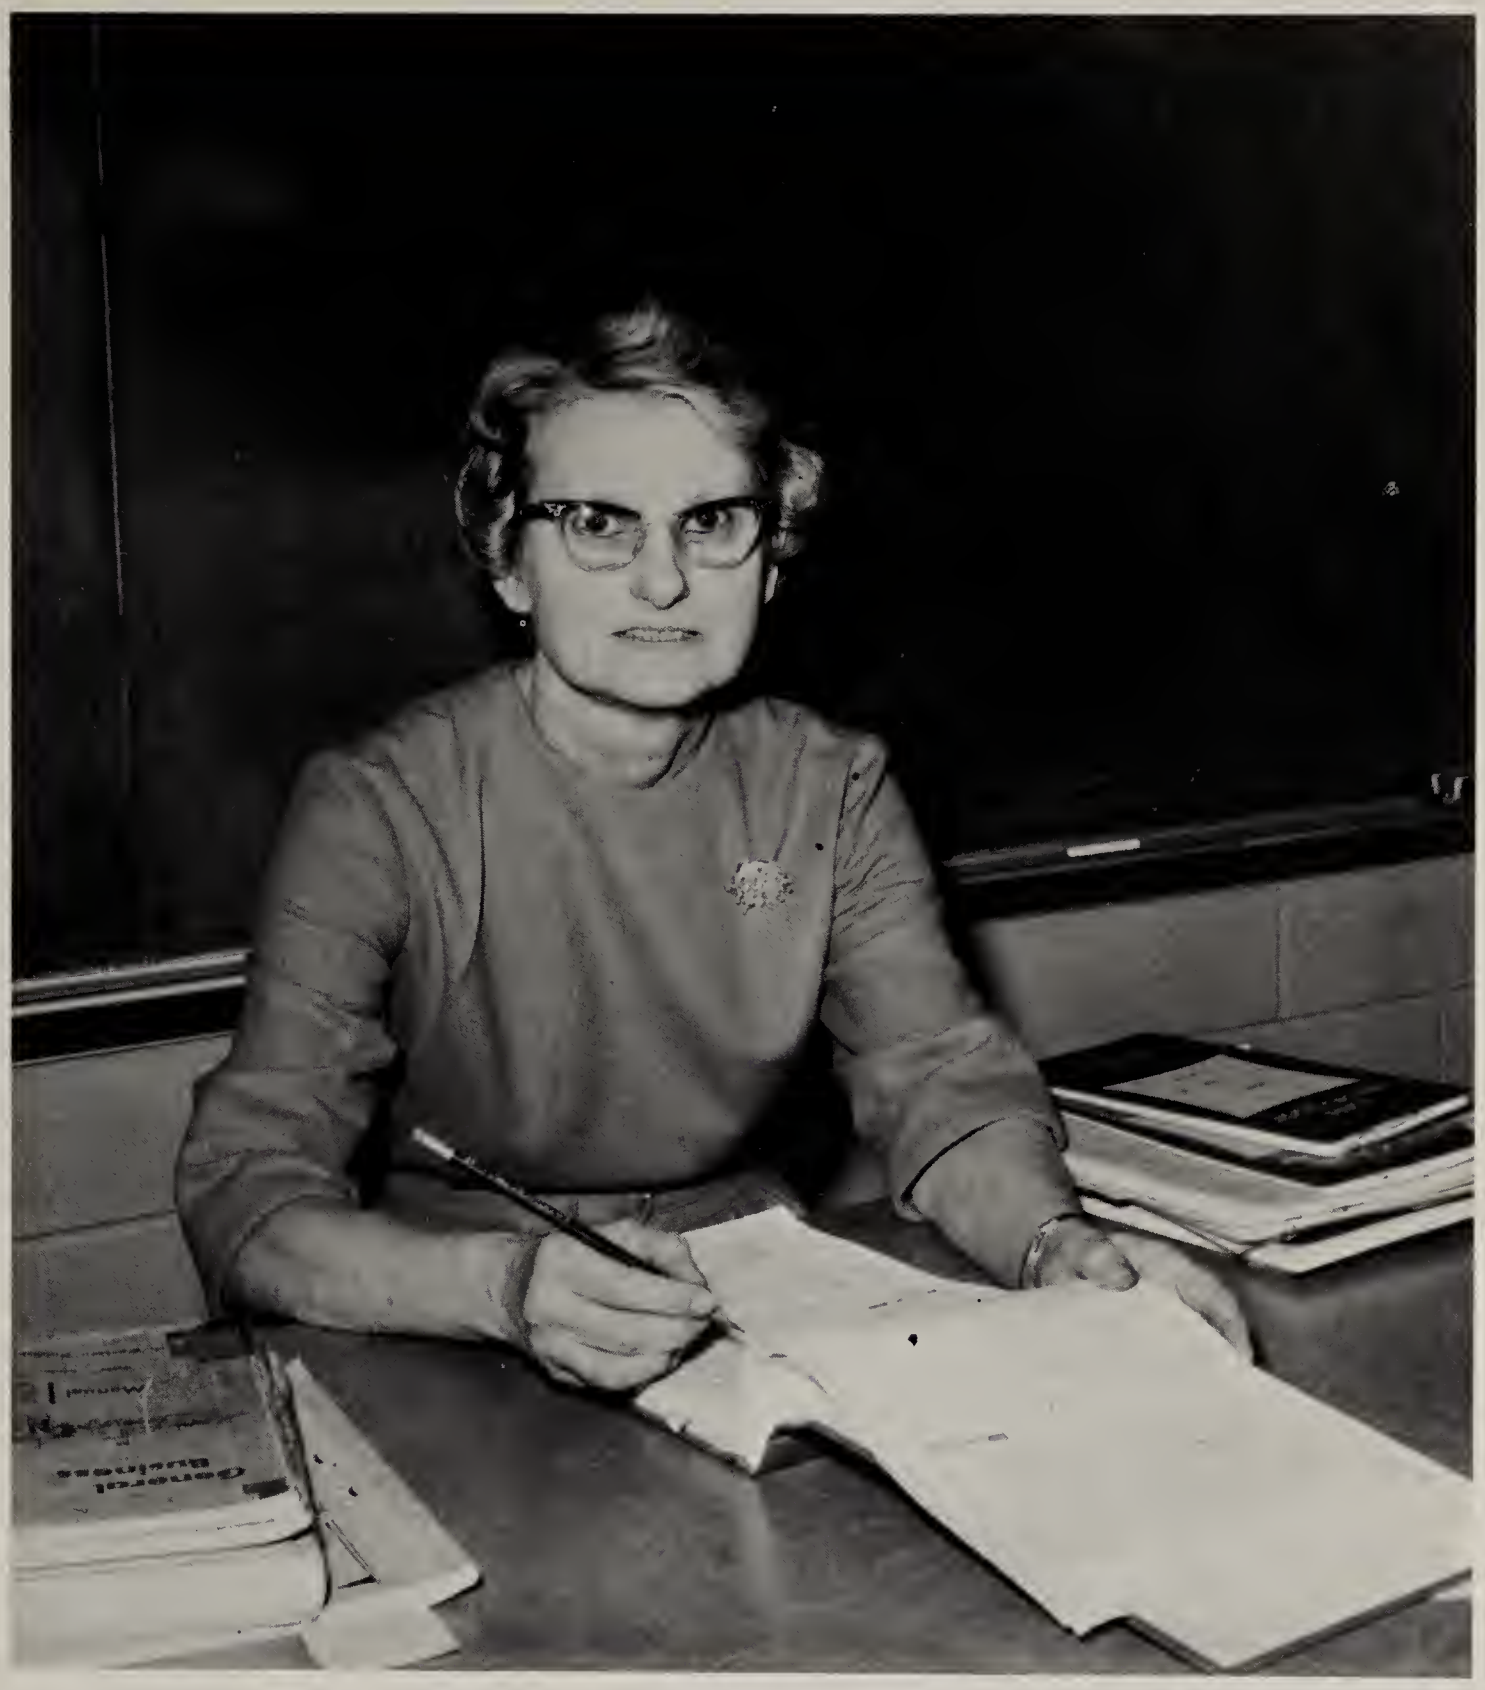
DEDICATION — *with deepest appreciation*

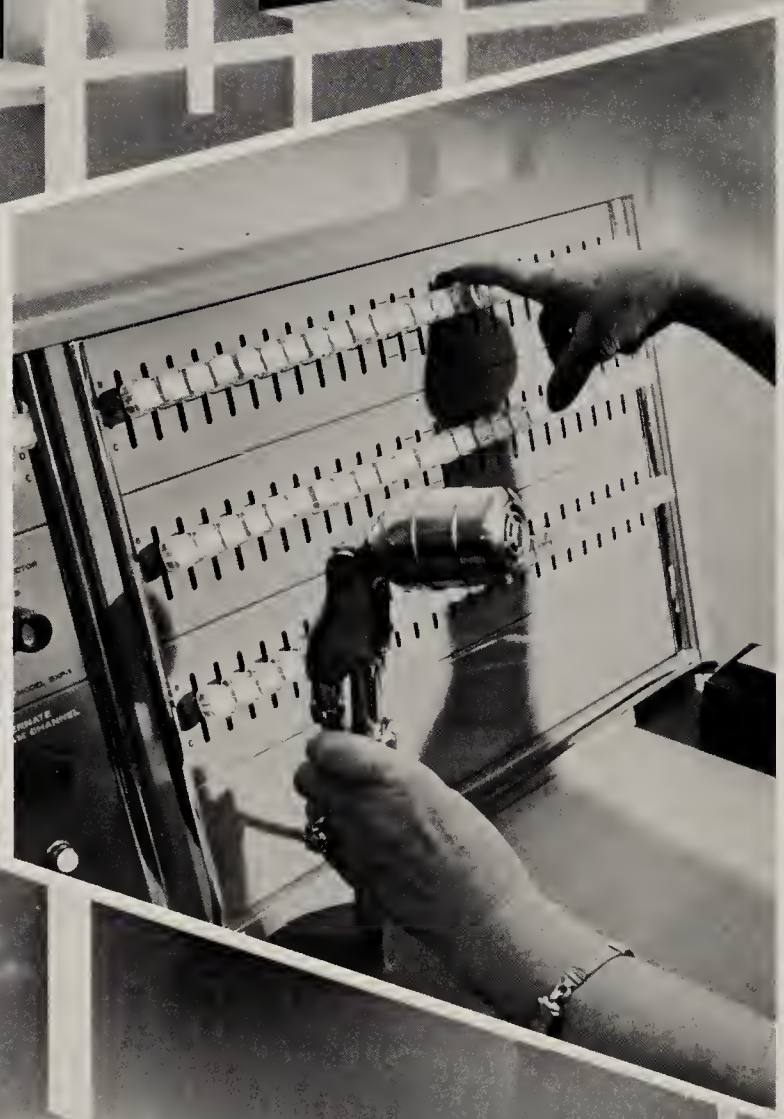


Now people, snap those keys .....familiar words in the typing room.

It is an honor to pay tribute to one who has become such a genuine part of Stockbridge High School. Her quiet, unassuming way, her interest in her students and her eagerness to help them have endeared her to all who have come under her influence. Because she means so much to so many, we the staff dedicate the 1966 PANTHER to Mrs. Irma Louise Cronkhite.

Mrs. Cronkhite is a native of Leslie and a graduate of Leslie High School. She received her B.S. degree from Eastern Michigan University and has taught a number of years at Stockbridge High. She, her husband, Donovan; and son, Keith, reside in two places. They have a home in Stockbridge and a lovely farm home on old US 127.

ADMINISTRATION



SCHOOL BOARD —*a dedicated group*

SEATED: Mr. Duane Ford, treasurer; Mr. Almon Lathrop, president; Dr. Edward R. Weddon, secretary
STANDING: Mr. Elwin Beniser, Mr. Dan Howlett, trustees
Not present when picture was taken:
Mr. Olin Wild, trustee
Mr. Lee James, trustee

The six members of our Board of Education lead very busy lives in addition to their professions. They spend a great many hours with the problems of our district. Namely; they determine the financial needs and expenditures and study the curriculum, making sure our courses are up-to-date and that they offer a variety to the students. These men see that repairs are made, rooms are painted, and equipment is checked to insure the safety, beauty, and smooth operation of the area schools. School Board members also settle more minor problems that arise, such as the deer hunting policies and the dress code for the high school students, to name a few.

These dedicated men get little recognition for many hours spent. We wish to compliment them on the fine work they are doing and thank them for their past services.

SUPERINTENDENT — *always at the helm*

MR. JESSE BATCHELOR

TO THE CLASS OF '66

Another year has passed into history and what marvelous adventures man has had. It is our greatest hope that each member of the Class of 1966 has prepared himself well to be able to continue his competition in the "adventures" of the future.

May I congratulate each one for his endeavors and wish him continued and even greater success.

Sincerely yours,
Jesse Batchelor

PRINCIPALS — *tasks never end*

MR. HOWLETT

Dear Seniors:

Each of us leaves "footprints on the sands of time," the poet, Longfellow, once wrote. The same thing can be said of classes as they progress through high school. I truly feel that the class of '66 has left an indelible mark in scholastic achievement, school citizenship and leadership, and in the many school activities which will be a trail well worth following in the years to come.

My congratulations to you for your outstanding achievements and best wishes for future success.

Sincerely yours,
Richard Howlett

Upon their shoulders rest the burden of running the scene. Their job entails being part teacher, janitor, statistician, engineer, diplomat and policeman. We acknowledge and appreciate the high caliber of leadership they give us.

Dear Seniors:

Congratulations and best wishes. I hope that the lessons, attitudes and habits you were taught in your many contacts during the school years will carry you far in your life's endeavors.

Quote from Walter D. Wintle:

"If you think you're beaten, you are,
If you think you dare not, you don't
If you want to win, but you think you can't,
It's almost a cinch you won't.
If you think you'll lose, you're lost,
For out in the world you'll find
Success begins with a fellow's will,
It's all in the state of mind."

Sincerely yours,
Robert Boyd

MR. BOYD

SECRETARIES — keep things on an even keel

MRS. GRACE COLLINS

She is Mr. Howlett's secretary. Other than working for him, she keeps the attendance records, marks report cards, and gives announcements. She is helpful to everyone, doing everything from giving first aid to sewing on buttons.

Everyone young and old knows and loves her. She is always a friend indeed.

MRS. ROSE DANCER

She is the bookkeeper for the entire school district. The payroll involves writing between 135 and 140 checks twice a month. She also keeps the school board's minutes and financial reports, has charge of 36 internal accounts, and keeps records from the hot lunch and milk program.

Because of her busy job, she has moved to more quiet quarters where she continues to do an excellent job.

MRS. THELMA FRINKLE

She is Mr. Batchelor's secretary. Her duties include writing letters, selling books, answering the phone and, in general, doing anything that has to be done.

New to her position last year, Mrs. Frinkle has done an efficient job besides always having a friendly smile for everyone.

Our Glee Club is to be commended this year for the excellent job which it has done. Under the direction of Miss Stephens, the girls worked diligently to prepare their music. The Glee Club sang at the Christmas and Thanksgiving Assemblies and for the Lions Club. The Christmas season was made all the merrier for those who attended the Christmas Concert which featured the Glee Club's "Singing Christmas Tree." The season was highlighted by a trip to the Fischer Theater in Detroit to see "Carousel." The girls surprised Miss Stephens on her birthday by giving her a party. In the spring the Glee Club attended the District VIII Choral Festival at Everrett High School in Lansing.

The Spanish Club began with the election of officers for the school year. Elected were Lori Price—President, Christine Dixon—Vice-President, Sandy Nott—Secretary, and Jim Hanson—Treasurer. Our first activity was a hay ride in the early fall on which we had a lot of fun—especially the hay fight. Christmas brought our "Fiesta de Navidad" at which we played games, sang Spanish carols and had delicious refreshments. Two of our members made a beautiful Pinata. The highlight of the party was the breaking of this Pinata, an old Spanish custom. Our spring activities included a Spanish dinner and program and a dance. We had much fun with the club this year and invite anyone interested to join us next year.

One of the many projects of the F.H.A. was to make Christmas gifts for children in the hospital. All members worked on Degrees of Achievement representing work done toward personal growth and improvement. They also sold dessert cookbooks whose profits boosted their treasury.

The 86 members enrolled in Vocational Agriculture participated in many learning activities throughout the school year. Some class members were visited on their farms to view and discuss the student's farm programs. The annual F.F.A. Banquet was held in the winter where awards were given for the past two years. All members attended Career Day in February. The leadership contests were entered at Williamston in February. Stockbridge had three teams in the state F.F.A. Skill Contest in May. The new F.F.A. officers for 1966-67 attended Region IV South Leadership School at St. Mary's Lake, Battle Creek, in April.

Members of the Advanced Agriculture classes made seven field trips to muck areas in their study of soils. Two broods of broilers were raised as a group project. James Myer, Doug Sommer, and Dean Bachelor were guests of the Ingham Soil Conservation Service at their annual meeting and were presented the soil judging plaque for 1965. James was high man in the county of the seven schools participating in the Ingham District F.F.A. Soil Judging Day.

The Student Council plays an important part in our student body. They do everything from sponsoring our homecoming to deciding the school dress code. They also participate in Student Council Exchange Day with other schools. Some of their projects included helping in the printing of the basketball programs, and buying a new flag for the old gym. For the stage they bought new fly curtains and painted the walls.

OUR QUEEN

What a beautiful Homecoming—the charming Queen and her Court, the excellently built floats, our team who fought their way to victory, the cheering fans, and the Homecoming Dance where we celebrated our victory! Even the weather cooperated, making it a perfect night. The Juniors were especially happy because their float placed first.

Members of Bonnie Teachout's Court included Kathy Jarrell, Freshman; Jill Owen, Sophomore; Karen Hamlin, Junior; Marilyn Boyce, Senior. Bonnie was crowned by the 1964 Homecoming Queen, Carol Hardt.

Our coaches spend a great deal of time that is not punched on a time clock with our boys. They sometimes work with complicated schedules, and some of them deny their families time which should be spent with them. All of this just so the boys of our school may have a strong athletic program. Any man who will do this must be dedicated to the youth of America and must want to challenge them in the field of sports.

WRESTLING —first year on the mat

Joe Singer, Brian Boyce, Jim Hanson, Fred Singer
David Hanson, David Myer, Rick Hartsuff, Ron Sheldon, Larry West, Mr. Loso
Mark Otis, Mike Loso, Dan Heron, Mike Otis, D. C. Workman

INTERSCHOLASTIC WRESTLING RULES

1. Length of match is 6 minutes, which is divided into 3 periods of 2 minutes each.
   a. In the first period the contestants start from the standing position.
   b. In the second period the wrestlers begin from the referee's position. One has the advantage or top position and the other has the disadvantage or the bottom position.
   c. In the third period the wrestlers again begin in referee's position.
2. A fall at any time terminates the match. A fall is awarded when a contestant's shoulders are held in contact with the mat for a minimum of two seconds.
3. A fall shall count 5 points for the team total, a decision 3 points, and a draw 2 points.
4. If there is not a fall, the contestant scoring the greater number of match points is the winner.
5. "Match points" are scored in the following manner:
   a. Take down—2 points for taking an opponent down to the mat and gaining control.
   b. Reversal—2 points. Awarded when a wrestler in the under position reverses the situation and gains the top position.
   c. Escape—2 points. Awarded when a wrestler in the under position escapes to a neutral position.
   d. Predicament—2 points. Awarded when a contestant puts his opponent in jeopardy of being pinned. Not as close as a NEAR FALL.
   e. Near fall—3 points. Awarded when the contestant who nearly pins his opponent.

This wrestling season was a building year for S.H.S. since the sport depends largely upon experience. Our grapplers were more intent upon learning the methods than winning matches in our first competitive year. Each match was a lesson and as time went on our boys became more skilled at the sport. The last two matches were lost only because we did not have enough boys to fill all of the 12 weight divisions and points were forfeited to other teams.

The outlook for next season is a little brighter because most of our boys are returning next year.

TEN LITTLE INDIANS

Ten Little Indian Boys,
Going out to dine,
One went and choked himself,
And then there were nine.

Nine Little Indian Boys,
Sat up very late,
One overslept himself,
And then there were eight.

Eight Little Indian Boys,
Traveling in Devon,
One got left behind,
And then there were seven.

Seven Little Indian Boys,
Chopping up some sticks,
One chopped himself in half,
And then there were six.

Six Little Indian Boys,
Playing with a hive,
A bumble bee stung one,
And then there were five.

Five Little Indian Boys,
Going out for law,
One got in chancery,
And then there were four.

Four Little Indian Boys,
Going out to sea,
A red-herring swallowed one,
And then there were three.

Three Little Indian Boys,
Walking in the zoo,
A big bear hugged one,
And then there were two.

Two Little Indian Boys,
Sitting in the sun,
One shot the other,
And then there was one.

One Little Indian Boy,
Left all alone,
He went and hanged himself,
And then there were none!

My God, he's dead!

Something very peculiar is going on here.

I've a wizard of a car.

Stop it! Stop it!

Have a drink, General?

Conscience killed him!

He's been shot!

Miss Brent looks strange
—you don't suppose?

Yes, Miss Claythorne,
I'm the one!

The story concerns a group of TEN guests. invited to Indian Island off the coast of Devon, England, by two mysterious and absent hosts. Once in the huge old mansion, the ten find themselves to be the only people on the island and that all communications with the mainland are severed. One by one they are mysteriously murdered in a manner suggested by the rhyme hung above the mantelpiece and one by one ten little china Indian figures are broken.

"The Perfect Idiot", a comedy in three acts, was written by Eunice and Grant Atkinson.

Dan is the boy-wonder and the perfect idiot. Dan invents a hypnotic box, and with it he makes Puff, a star athlete, into a straight A student. A big soap manufacturer gets interested in the box and also gets hypnotized. Everything is rolling smoothly for Dan until some wild mishaps upset the applecart! Yet there are scenes of charming relief as when Linda teaches Dan exactly how to say good night after a date and Rhodora, the maid, tries to tell Dan how to treat girls special like.

"Puff, do you hear me?"

"This makes more'n a thousand cards and letters."

"Tut, tut. Take it easy."

"They've stolen my parsnips!"

"Dat's good!"

"Jeepers, Linda!"

"Just a little more powder here."

"That's rich! You a doctor!"

"How does it feel to be a radio star?"

VARIETY

— and we sing

The Variety Show is one of the highlights of the year for the Glee Club Members. There is much more work involved in putting on a show of this type than one might expect. Although a lot of difficulties are encountered in the development of the show everyone is usually rewarded by a good time and a feeling of success.

SHOW

— and we dance!

Miss Stephens certainly deserves a big "thank you" for the work she has put into the production of the yearly Variety Show. It is obvious that she provides the impetus for this final achievemenut of the vocal department. We humbly express our appreciation to her and everyone who helped make this production a most enjoyable and memorable occasion.

OUR FIRST FIESTA

The evening started with dinner prepared by the second year Spanish students. It was followed by two skits in which both first and second year students participated.

The speaker, Mr. Carlos Canepa, from Arequipa, Peru, gave a stimulating talk about the teenagers from his country. Mr. Canepa had the privilege to swim in the Olympics at Tokyo, Japan. After his talk he held a question and answer period.

Our guests for the evening were Mrs. Canepa, Mrs. Bogart, Mrs. Cassidy, Mr. Burry, Mr. Nash, Mr. Howlett, and Mr. and Mrs. Snider.

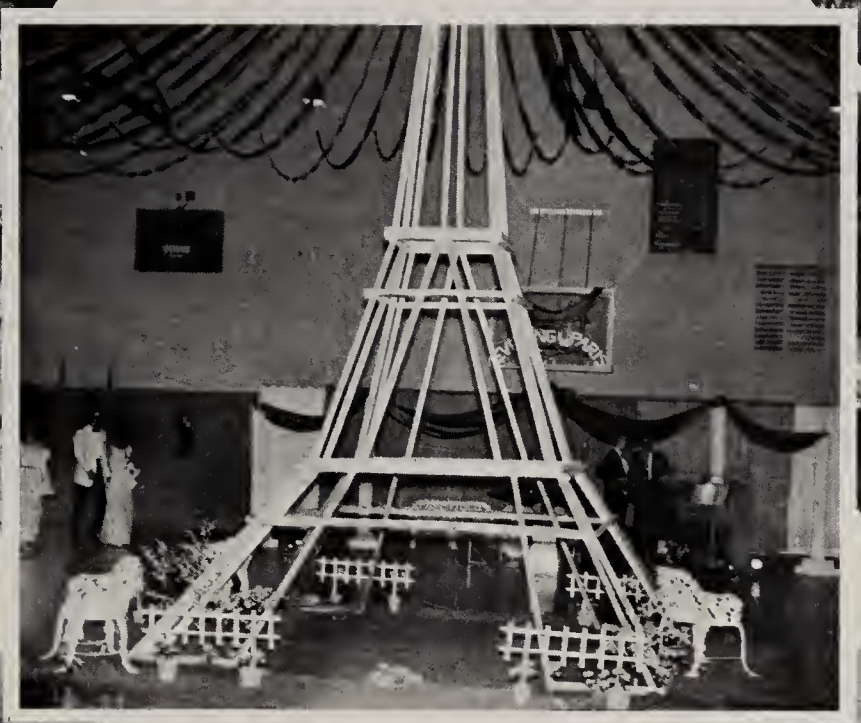
JUNIOR PROM



— a night to remember

As the couples walked into the gym they were amazed by its complete transformation into an "Evening in Paris". They were confronted with a scene complete with Eiffel Tower, fountain, and sidewalk cafes. The Juniors worked hard to make the prom the success it was.

STAFF CHAIRMEN

Just as this book has an end, this year spent in school will soon draw to a close. As the halls grow dim and the classrooms quiet, we hope this book will bring back memories of the friends you made, the classes you took, the fun you had, and the teachers who guided you on your way.

Now as you go your separate ways, not knowing if happiness or sorrow will cross your path, hold the thoughts of your days spent in Stockbridge High as the happiest of your life.

The Yearbook Staff would like to thank the administration, the faculty, and advertisers who helped make this book possible. A big thanks also goes to the student body—"it is you who made the yearbook, for the yearbook is *you*."
